

Initial 2024 League File Released

MarkB, Saturday 27 April 2024 - 09:35:57

If you have ordered the 2024 Action PC Football Game, the 2023 NFL player file is available for download, but the game itself is not scheduled to be available for download until May 2.

If you have not purchased either the Deluxe or Super package yet, please do so.

The initial 2024 KRFL league file has been posted in the League Files section of the website for downloading.

This file WILL work in the 2023 version of the game, however player values may not display correctly (though in KRFL we do not use them for anything other than the Development Roster players anyway).

PLEASE VERIFY YOUR ROSTER IS CORRECT. If you see any errors, let me message me IMMEDIATELY via email.

The deadline for informing me of roster errors is May 3. If I do not get a message from you, I will assume your roster is correct.

TRADING IS CLOSED and will open on May 4th.
