

Updated Salary Spreadsheet Posted

MarkB, Friday 27 June 2014 - 09:25:48

The post Rookie Draft salary spreadsheet has been posted in the League Files section of the website.

PLEASE review your roster and if you find any errors, please let me know immediately.

It also occurred to me that some people may not use/have access to a spreadsheet program that can open the Salary Spreadsheet. If so, let me know and I can send you an Adobe .PDF file instead.
