Connection Issues

noodles, Thursday 04 September 2014 - 16:38:11

A new game update (9/4)

has been released that fixes the various connection issues some have been having.

Get it at http://www.dksports.com/service.htm and install it before playing this week.

Another Hamachi Report

(from Hank Seinzant on the APC forum):

HAMACHI WILL COST YOU EFFECTIVE 9/12/2014

Hamachi won't be free soon.

Got the below message at Hamachi:

https://secure.logmein.com/Central/Central.aspx#

Your remote access account will soon be unavailable.

To continue using remote access, you ll need to purchase an account subscription of LogMeIn Pro. Packages starting at $49/year for two computers. Your new account includes our signature remote access with premium features like remote printing, file transfer and cloud data access, plus desktop and mobile apps to improve your experience.

Please note: If you don't take action, you won't be able to access and manage your computers after 9/11/2014. Only 7 days left!

Buy Now Starting at $49/year (50% off regular price)

If this turns out to be true, we'll need another program. Tunngle looks like the most likely candidate:
