

Update to the 2015 Football Game

MarkB, Saturday 15 August 2015 - 16:51:36

An update to the 2015 Football Game has been posted at www.dksports.com/service.htm. This update is free to owners of the 2015 game and will not operate with previous versions. Please note that game downloads and CDs include all updates. Improvements and corrections include:

August 14, 2015

- * Corrects for error setting quick defenses.
- * Corrects a stadium assignment issue.
- * Corrects issue with improper default RB formation usage.
- * Contains minor adjustment to pauses between plays.
- * Adjusts partial game injury frequency.
- * Corrects several minor video chalkboard issues.

Please download and install this. All KRFL members must be on the latest version of the game.
