

Latest Version of the Game

MarkB, Monday 31 August 2015 - 21:41:51

Please verify you have the latest version on the game. We all need to be on the same version

In the game got to Help, About. You should be using Version 8-14-2015.

If not, please go to <http://www.dkssports.com/service.htm>, download and install that version.

Thanks,

Mark B
