Rule Change Nominations Due By April 22

There are five proposed rule changes:

- 1) Reward for Volunteer Coaches
- 2) Increase Minimum Player Salary and Rookie Salary
- 3) Move In-Season Trade Deadline to Week #4
- 4) Decrease In-Season Salary Cap to \$88 Million
- 5) Change Player Salary Increase for Contracts 500k or less

The proposals can be found in the 2016 League Business Forum on the league website. Each proposal requires at least three additional "nominations" (posts supporting it) by FRIDAY APRIL 22nd to make it to the final ballot for votes. Proposals that do not receive three additional nominations will not make the ballot and will be dropped,

The final voting will start on Monday, April 25 and all owners are required to vote on the final slate of proposals by the following Friday (April 29). Voting is done electronically via the league website. Same as in the past. Results of voting will be released May 1st.

Any questions on this process please contact Steve Swanson or myself.
