

Salary Worksheets

MarkB, Sunday 22 January 2017 - 09:00:46

For those of you interested, I have uploaded the final 2016 season salary worksheet, and the 2017 Pre-Roster Cut-down Salary worksheet. Both can be found in the League Files section of the website. If you find any errors, let me know immediately.

The 2017 Pre-Roster Cut-Down worksheet reflects the removal of players with expiring contracts. Listed at the bottom of each team's sheet are those players whose contract expired but who are franchise or tender eligible. Remember you can franchise a player only one time in his tenure with your team. I will work on the 2017 franchise player salaries soon and post it.

If any of you cannot open these since they are Microsoft Excel worksheets, let me know and I can save them as .pdf files as well.
