

KRFL Update

MarkB, Thursday 17 August 2017 - 21:23:06

I have upload the current league file and salary worksheet to the League Files section of the league website. The deadline for confirming your roster on BOTH is August 27. If I don't receive a email from you, I will assume your roster and salaries are correct. So if is, you do not need to email me.

A reminder of the upcoming league schedule (the complete calendar can be found on the KRFL website).

Now until the end of Week #4 of the Regular Season - Trading is open

27 August - Deadline for Confirmation of Regular Season Salary Worksheet and League File

28 August - Start of **one week** Preseason Waiver Period. A maximum of TWO waiver picks per team is allowed and the players CANNOT be kept beyond this season (same rules as signing a free agent player during the season).

03 September - Waiver Pick results announced

04 September - Week #1 Coach's File Due

05 September - KRFL Regular Season Begins

Draft Website Fixes

Darrell Gonser has the draft websites close to being finished. We still need to do some testing of it.

Team Fields and Logo Files

I have posted the 2017 team logo file and 2017 team fields files in the "Misc. Files" link on the home page. You can find the link in the upper left hand corner of the home page and/or <http://www.aaroncraneinstitute.com/football/miscfiles/>

Save each file to your computer, then:

Team Logos File - Extract the contents of the file, just as you would the weekly league file, to your dksports\football\TeamLogos folder

Team Fields File - Extract the contents of the file, just as you would the weekly league file, to your dksports\football\Stadiums folder
