Member Roll-Call is complete. Thank you all!

Next up is the annual Rule Book Amendment Proposals, Comment and Voting period. The two week proposal/comment period begins March 24 with the voting on any proposals done the week of April 8th.

If you have any questions on the existing rules, let me know. The rule book can be found on the "League Rule Book" link under "League Info" in the upper left hand corner of the home page.

You can find the past discussions of rule change proposals in the 201# League Business forums on the KRFL Forums on the league website.

Please check out the league calendar using the Calendar link on the league website. All upcoming events the next few months are there.

I've also updated the home page with the new team's logo. You may have to refresh your browser or clear your browser cache to get them to show up.
