

KRFL Rookie Draft Delayed Until June 4th

MarkB, Tuesday 22 May 2018 - 21:36:50

Steve Ward and I are working with the programmer to try to eliminate the one remaining bug in the draft website. Therefore I have decided to push the Rookie Draft back to June 4th - June 8th.

At this time, the Free Agent Draft remains scheduled for June 18th - July 14, but I may end up pushing that back a week also.

Sorry guys, but I want to make sure the updates to the draft software are working properly.
