

### **KRFL Historical Season Leaders**

MarkB, Sunday 03 February 2019 - 09:22:54

Jeff Paulson has created a KRFL Encyclopedia file and has been able to create All-Time Season Leader Lists for certain stat categories. Jeff tells me the cyclopedia program is pretty limited at this point (hopefully Action PC improves it in the 2019 version of the game). Jeff did a great job creating these lists. Thanks Jeff!

You can find the files at <http://www.aaroncraneinstitute.com/football/download.php?view.606>

Lists included are:

Most Passing Yards in a Season

Most Rushing Yards in a Season (one player has the top two, but it is not a players you'd think would)

Most Receiving Yards in a Season

Most Pass Receptions in a Season

Most Points Scored in a Season (#1 and #2 are a surprise)

Most Interceptions in a Season

Now that I believe we have them all, I will get the missing KRFL season uploaded to the League History section of the League Files page on the website.

Thanks again for your work Jeff!
