

### **KRFL Pre-Season Update**

MarkB, Saturday 17 August 2019 - 10:33:08

I hope your Summer is going well.

A reminder of the KRFL Calendar:

Aug. 25-30. Pre-Season Free Agent Signing Period.

Sept. 1 - Deadline for Confirmation of Regular Season Salary Worksheet and League File - No response equals confirmation.

Sept. 1 - Deadline to submit Week #1 Coach's File.

Sept. 3 - The 2019 KRFL Regular Season Begins

Details are in the Calendar on the league website.

There is one reported but unconfirmed trade on the league website.

Roster Compliance:

Based on my review, all team rosters are in compliance with KRFL rules except as follows:

BRX - Has only one QB. Two are required.

BLK - Does not have a Long Snapper

Before the season begins, these teams need to have their rosters in compliance by the start of the regular season games either by making a trade or signing a player in the pre-season waiver period one week before the start of the season
