

### **Pre-Season Free Agent Signing Period**

MarkB, Thursday 29 August 2019 - 08:40:45

Just a notice that I may have previously communicated that players signed this week during the pre-season free agent signing period cannot be retained after this season.

That is not correct! Under Rule 8.3.d. these players CAN be retain next season by signing them to a contract. So I wanted to be sure you all were aware of that.

So far no free agent claims have been made. To make a claim, as you would doing the season, post it here
