

**KRFL Week 10 Due Tuesday November 12 at 10pm Eastern**

MarkB, Tuesday 05 November 2019 - 22:07:00

The week #10 league file has been posted on the website in the League Files section. Results are due November 12 at 10pm Eastern.

**PLEASE NOTE:** The week #9 Moline @ Inverness game has not been played. It will be played Wednesday at 7pm.

**SEATTLE & SW FLORIDA - BEFORE** you can play your week 10 game, you **MUST** import the Moline @ Inverness week 9 game file **unless** I've been able to release a new league file **and** you've installed it.

I will TRY to send out / post a new league file tomorrow night after the game is played. However, I will out of town on business for a few days and I do not know if/when I will be able to do it.

**We need a sub** for Black Hills this week. The Phoenix host Kentucky. If you are able to coach Black Hills this week please contact James and copy me to arrange a time to play the game.

Play hard, have fun.
