

Update

MarkB, Sunday 17 May 2020 - 10:57:34

Just a reminder that the Pre-Roster Cut Down Trading Period ends Friday May 22 at 10pm Eastern. Trades must be posted and confirmed by that deadline to be valid. Then Roster Cut-Down week will begin Sunday May 24 though I'll likely have the forum threads up and running a day early.

If anyone want to have their team logo or home field graphics updated, send me an email mail and let me know what you are looking for and I'll get working on it.

I'll repeat my request for coach's pictures. Steve Ward had a great idea two seasons ago which was adding pictures of ourselves to our team's roster in the game. Many sent pictures, others did not. So this is my annual plea to those who haven't to do so. And anyone who wants to update their picture from last season, feel free to send me a new photos.

Missing coach's photos:
