MarkB, Sunday 31 May 2020 - 09:38:52

The annual Roster Cut-Down period is now complete with the exception of West Seattle who is over the salary cap and needs to make a roster change(s).

I've upload a post roster cut-down league file and salary worksheet to the League Files section of the website.

PLEASE DOWNLOAD BOTH and:

- 1) Confirm your roster in the game is correct.
- 2) Confirm your player contracts on the salary worksheet are correct.

If you find any errors please inform me by e-mail IMMEDIATELY.

The Deadline for confirming your team's roster and player contracts/salaries are correct is Friday June 5th. No response from you equals your confirmation everything is correct.

TRADING IS NOW OPEN and continues until 10PM Eastern June 5th.

Upcoming Schedule. Please consult the Calendar on the league website for details.
