

Update

MarkB, Thursday 20 August 2020 - 10:04:06

The one week pre-season free agent signing period begins August 30.

To make a claim, please email the commissioner. The deadline for making a claim is 10pm Eastern on September 5.

Please note:

Rule 8.3.b -Teams are limited to obtaining a maximum of two waiver claim free agents during this period. Any interested team should email to the Commissioner a list of players of any number, in order of preference, the team wishes to claim, and the players, in order of preference, the team wishes to release from their roster if their claim(s) are successful.

8.3.c - If multiple teams claim the same player, the player will be awarded to a team based upon following the most recent Rookie draft order.

8.3.d Players successfully claimed will be rostered as if the player was acquired during the Free Agent Draft, which means the team may retain the player after the season. The players contract status will as if he was drafted during the most recent Free Agent Draft.

After a quick review of rosters I found two teams who are not in compliance with the published roster requirements. Neither Atlanta nor Penn State have the required six linebackers. They each have five. Additionally, Salem's kicker has a durability rating of 8. It is not a violation unless he gets hurt in which case Salem will need to sign a kicker to comply with the requirement to have at least one healthy kicker on the roster at the start of each game.

ALL TEAMS MUST submit a Coach's File for their team by 10pm Eastern on MONDAY SEPTEMBER 7. If you are not going to make a free agent claim in the pre-season signing period, feel free to send a coach's file now.
