MarkB, Tuesday 15 September 2020 - 21:53:15

Great job for a smooth week #1 everyone. Keep it up. The AFC went 8-4 against the NFC in the week #1 inter-conference games. Home teams were 10-2.

The week #2 league file has been posted on the website in the League Files section. Please remember to e-mail the games results and box score to BOTH me and the KRFL Google Group.

To send your game file, please follow these instructions:

A reminder of our rules for scheduling games: Initial contact between members for the upcoming week's games should be made prior to midnight Thursday of the current week. Game times should be agreed upon and scheduled by midnight Friday to be considered as good faith attempts to schedule a game. Because the time difference limits times available to play games, it is extremely important to communicate with your opponent as soon as possible when one of the team owners is in Europe and the other is in North America.

Trading is open until the deadline for week #6 games.
