MarkB, Tuesday 17 November 2020 - 21:33:28

The week #11 league file has been posted on the website in the League Files section. Results are due Tuesday 11/24/20 @10pm Eastern

No free agent signings this week.

Question: Will anyone need extra time to get their games played over the upcoming Thanksgiving holiday? If yes, please tell me NOW so I can consider a schedule change if enough people need extra time.

Also, no team has clinched it division yet. So teams are not permitted to selectively de-activate players. That cannot be done until the team has either clinched their Division or after Week 14, whichever occurs first.
