

### **Week 14 Games Due 10pm Eastern on Tuesday December 15, 2020**

MarkB, Monday 07 December 2020 - 21:39:38

Since all the week 13 games are in, I am releasing the week 14 file.

I assume no one besides Alabama wants to sign a free agent player this week. If someone does, please tell me ASAP, though the deadline is the normal 10pm Eastern Tuesday. If a team does want to sign a free agent, I will issue a new league file to that team and their week 14 opponent.

With three games to play, here is the playoff picture in each conference. The division winners and remaining top three teams in each conference make the playoffs.
