

#### **Updated Week 14 League File Posted**

MarkB, Tuesday 08 December 2020 - 15:31:36

An updated week 14 league file has been posted to the League Files section of the website as a result of a Cleveland free agent claim. Cleveland and Rolling Green **MUST** use the revised file and not the file I posted last evening. All other teams can use either the one I posted last night or the new file.
