2021 Team Fields, Logo's & Coach's Pictures

MarkB, Saturday 04 September 2021 - 22:06:57

I have posted the 2021 team logo file, 2021 team stadium/fields file, and 2021 coaches pictures files to the "Misc. Files" link on the home page.
You can find the link in the upper left hand corner of the home page and/or http://www.aaroncraneinstitute.com/football/miscfiles/

Download each file your computer (be aware the stadium file is quite large and downloading will take a minute or two). Then do the following:

>Team Logos File - Extract the contents of the file, just as you would the weekly league file, to your dksports-data\football\TeamLogos folder

>Team Fields File - Extract the contents of the file, just as you would the weekly league file, to your dksports-data\football\Stadiums folder

>Team Coaches File - Extract the contents of the file, just as you would the weekly league file, to your dksports-data\football\PlayerPhotos folder.
