

### **Free Agent Draft Rescheduled**

MarkB, Friday 20 May 2022 - 10:41:25

The start of the free agent draft has been pushed back one week. It will now begin 6/27/22 and should end around 7/15/22. We do not draft on Weekends in KRFL, and typically do not draft on July 4, Independence Day in the USA. But if enough people want to draft that day, we can.

Please consult the League Calendar on the KRFL website for a complete league schedule.

Remember: Trading closes Saturday and Roster Cut Down Week begins Sunday May 22.
